Transporting audiences from the Jungle of Nool to the Circus McGurkus, the Cat in the Hat narrates the story of Horton the Elephant who discovers a speck of dust containing tiny people called the Whos. Horton must he protect the Whos from a world of naysayers and dangers, and he must also guard an abandoned egg that's been left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family, and community are challenged and emerge triumphant!

FORGIVENESS - IS IT ALWAYS THE RIGHT CHOICE?

Society's message is clear; forgiving those who have hurt us is necessary to free ourselves of painful and often outdated memories. Failing to forgive will blight our lives, we are warned. But some mental health professionals say it's acceptable and in some cases preferable, to choose not to forgive and still be emotionally healthy. Join longtime journalist and researcher Karen Gaskell as she examines the 'forgiveness debate', and whether the old forgive and forget adage is a realistic goal. Class participants will also learn about the often challenging quest for self-forgiveness.

The Rise of ISIS

Born out of an umbrella organization of Al Qaeda in Iraq, the Islamic State in Iraq and Syria (ISIS) burst onto the international stage after it seized Falluja in December 2013. Since then, the group has seized control of a number of critical strongholds in the country and declared itself a caliphate, known as the Islamic State. Still, the question remains: What is ISIS, and what danger does it pose to U.S. interests?

The Future of Kurdistan

Kurdistan, a mountainous area made up of parts of Turkey, Iraq, Iran, and Syria, is home to one of the largest ethnic groups in region: the Kurds. Now, most in the West know them for their small, oil-rich autonomous region in northern Iraq called Iraqi Kurdistan — one of the U.S.' closer allies in the Middle East and a bulwark against the expansion of the so-called Islamic State. What does the success of Iraqi Kurdistan mean for Kurds in the surrounding region?

Migration

As a record number of migrants cross the Mediterranean Sea to find refuge in Europe, the continent is struggling to come up with an adequate response. Although Europe's refugees are largely fleeing conflicts in Syria, Iraq and parts of Africa, their struggle is hardly unique. Today, with the number of displaced people at an all-time high, a number of world powers find themselves facing a difficult question: how can they balance border security with humanitarian concerns? More importantly, what can they do to resolve these crises so as to limit the number of displaced persons?

We start with a morning show at the History Theater. Share in this piece of Minnesota history - 1965. Imagine yourself as a teenage girl - pregnant and unwed. After a painful confession to your mother, you are sent away to the Catholic Infant Home on Cathedral Hill to deliver your baby and give it up for adoption. You are given a new name and strict instructions: "Do not reveal your real name. Do not discuss this episode in your life with anyone. Have your baby, go back to school, and make a fresh start - as if nothing ever happened. Once you leave this place, you must never look back." But that's impossible. Decades later, three courageous women relive their shared experiences at the home, personal moments of love and loss and reunions with the children they never forgot.

After the show we enjoy lunch at the St. Paul Hotel, St. Paul Grill where you have a choice of **Landmark Salad, The Grill Charlie's, Chicken Pot Pie, Walleye Sandwich or Black & Blue Burger**. Last day to register or cancel is February 18.

BLITHE SPIRIT Old Log Theatre

As always we start our afternoon in the dining room, where you have

your choice of **Beef Short Rib, Tilapia, Vegetarian Pasta or Boneless Chicken Breast**. Then move into the theater for "The most spirited comedy you've seen in years!" Researching for his new novel, Charles Comdomine invites the implausible medium Madame Arcati to his house for a séance. While consumed in a trance, Madame Arcati unwittingly summons the ghost of Charles' dead wife Elvira. Appearing only to Charles, Elvira soon makes a play to reclaim her husband, much to the chagrin of Charles' new wife Ruth. If he wants his latest marriage to stand a GHOST of a chance, he'd better conjure up a solution quickly. One husband, two feuding wives and a whisper of mischief in the air – who will win in Coward's unworldly comedy? New York Times hails "*a laugh machine*." Last date to register or cancel is April 8.

BEAUTY & THE BEAST

Chanhasen Dinner Theater

Start the afternoon out with a meal of your choice ordered at your table. Following your delicious lunch enjoy the Disney classic Beauty And The Beast. In Beauty And The Beast, a prince harshly turns a beggar woman away from shelter in his castle. She is secretly an enchantress, who, angered by the prince's lack of compassion, changes the prince into a hideous Beast and all the castles' human inhabitants into living objects. The enchantress tells the Beast that before the last petal falls from an enchanted rose, he must find true love or all will remain forever altered. Not far from the castle, in a small village, Belle lives with her father Maurice, an inventor. Belle is seen as odd by all but Gaston, a handsome yet highly egotistical man, who wants to marry her. Belle's father gets lost in the woods and stumbles upon the Beast's castle where he is welcomed by the walking, talking clock and candlestick. However, when the Beast discovers him, he is taken captive. When Belle finds out, she rushes to his aid and trades her freedom for her father's. The Beast is harsh at first, but eventually the two develop something deeper. Last date to register or cancel Tuesday, April 19.

HASTINGS LEDUC TEA AND TOUR

William G. LeDuc came to St. Paul, Minnesota Territory in 1850 from Ohio to open a book store and law office. In 1854 he purchased a quarter share in the town of Hastings. In 1856, he and his wife Mary Bronson LeDuc, with their two daughters moved downriver to Hastings, where they had also acquired two wheat farms and 160 acres with a small grist mill on the falls of the Vermillion River. It was on this property that William and Mary decided to build their dream home. They chose a Gothic Revival home featured in Andrew Jackson Downing's 1852 book Cottage Residences. Downing was a landscape architect and author, whose reputation as a horticulturist was widespread. He inspired Americans to surround their homes with the beauty of nature and encouraged the use of good design even in planning farmsteads. William and Mary chose three Downing designs for their rural home site; their residence, Carriage Barn and Ice House. So, today, let's enjoy a 4 course tea among all this history with a tour of the house and grounds. Stop for a treat on the way home! Last day to register or cancel is May 10.

It gives them all the symptoms of a menopausal woman, complete with hot flashes, mood swings, uncontrollable weeping and irritability. Laugh along as we see what happens next. Written in the style of The Golden Girls Meet The Grumpy old Men, this hysterical comedy/drama is filled with mayhem, mischief and mood swings. The production is sure to entertain, enlighten and charm." In spite of the title, this is a show done in good taste with no cursing or vulgarity. Learn to Swim - Specialty Classes

BASIC LIFEGUARD TRAINING

The purpose of the American Red Cross Lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take over.

Prerequisites

1. Must be 15 years old on or before the final scheduled session of this course.
2. Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Swim goggles may be used.
3. Tread water for 2 minutes using only the legs. Candidates should place their hands under the armpits.
4. Complete a timed event within 1 minute, 40 seconds.
 - Starting in the water, swim 20 yards. The face may be in or out of the water. **Swim goggles are not allowed.**
 - Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10 pound object.
 - Return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface so you are able to get a breath. Candidates should not swim the distance under water. Exit the water without using a ladder or steps.

The skills evaluation will occur on the first day of the course. Please bring a swimsuit and towel for the skills evaluation and for every class. Bring proof of age to the pre-course session to continue class. A birth certificate, passport, driver's permit or license will work to prove age.
